ORDER

Defendant moves for dismissal of Count II of the indictment for pre-indictment delay. A review of the record and briefing, and consideration of a report and recommendation, discloses that a 23-month delay occurred, that a video record of certain activities was destroyed, and the video had no significant materiality. For reasons stated in Judge Larsen's report and recommendation (Doc. 167), which I adopt, the motion to dismiss Count II (Doc. 91) is DENIED.
